SCHEDULE OF CONFERENCES OF DGCA_s IN THE FORESEEABLE FUTURE

1. INTRODUCTION

1.1 As a result of offers by several States/Administrations to host the annual Conference of the Directors General of Civil Aviation, Asia/Pacific Region, a schedule of potential Host States/Administrations is prepared annually and updated as necessary.

2. DISCUSSION

2.1 The development of a schedule of Conferences to be convened in the foreseeable future has facilitated host States to make the necessary arrangements in a timely manner. In order to allow prospective host States as long a lead time as possible to plan and prepare for the event, the schedule will continue to be updated annually.

2.2 Civil Aviation Authority of Nepal has officially confirmed its offer to host the 56th Conference in August 2019 in Kathmandu, Nepal.

2.3 In light of the development and progress being made by developing States, it is suggested that priority be given in future to States which have not hosted the Conference previously. Appended to this Paper is a complete list of Conferences held to-date and planned in the foreseeable future, as well as a list of States which have not had the opportunity to host the Conference of Directors General of Civil Aviation, Asia/Pacific Region so far.
